

Dear Jazz Lover,

New Orleans French Quarter Festival Tour – 28 years of fun & frolics!

Amazing as it seems the 2019 tour marks our 28th consecutive year of attending the French Quarter Festival – just where have the years gone? We have some amazing friends in New Orleans and have access to some wonderful characters playing exceptional jazz in unique historical venues.

So, pour yourself a glass of wine, put on your favourite band and have a look at our 2019 tour itinerary – full of jazz, fun and culture. Bring your friends and family, we love a group within our group making memories that will last a life time – all you have to do is turn up at the airport we do the rest!

Accommodation

The home for the tour is the Four Points by Sheraton French Quarter, situated in the heart of the French Quarter, where their team welcome us year after year - the service is a perfect example of 'Good Ol Southern' hospitality.

For those who are travelling solo we have negotiated a fabulous rate for three smaller double rooms; first come – first served. We also offer a same gender rooming sharing arrangement. Do ask for details.

Flights

We have negotiated flights using the direct service on British Airways from London Heathrow. Should you wish to fly from a different airport other than Heathrow, please let us know and we will obtain a flight quotation for you.

Flexibility of dates

This year we are offering a standard 10 night stay, arriving back into the UK on Good Friday. However, we are flexible and want to work with you to ensure that you have the experience and itinerary you want. So, if you need more or less time in New Orleans or wish to extend your stay elsewhere in the United States, please contact us to discuss your requirements and we will do our best to assist.
